RESPONSE

This Communication is in response to the Office Communication mailed on April 4, 2002. In that Communication, the Examiner indicated that the application contains claims directed to a number of patentability distinct species identified as groups 1-7. The Examiner also indicated that Applicant must elect a single disclosed species for prosecution on the merits and provide a listing of all claims readable on that species.

Applicant hereby provisionally elects the species identified as Group 1 for prosecution on the merits. Claims 1-33 and 36-47 read on the provisionally elected species.
